

CONSTRUCTION ALERT

Nighttime and Daytime Express Lane, Ramp and Street Closures Weir Canyon Rd. to Imperial Hwy. January 9-12, 2012

WHAT:

Nighttime and daytime Express Lane, ramp and street closures will continue on SR-91. The closures will allow crews to continue work on overhead freeway signage, set concrete barriers at Imperial Hwy., shift traffic on Weir Canyon Rd. off-ramps, and continue pile driving operations at Imperial Hwy.

NOISE ALERT!

Construction crews will continue pile driving operations through the month of January from 7 a.m. to 4 p.m. weekdays at the Imperial Highway bridge, which may result in loud, repetitive noise and vibrations.

Disclaimer: Due to unforeseen operational factors or inclement weather, these dates and times may change.

PROJECT BENEFITS

- One new six-mile lane in the westbound and eastbound directions between SR-241 and SR-55
- Standardized 12-foot lanes and 10-foot right shoulders
- Widened undercrossing at Weir Canyon Road/Yorba Linda Blvd. and Imperial Highway in the westbound and eastbound directions
- New restriping throughout project limits
- Soundwall on eastbound side of the freeway along key residential area

SAFETY ON YOUR SIDE!

- ✓ Caltrans reminds motorists to please Slow for the Cone Zone and use caution when driving through construction zones.
- ✓ We are committed to keeping you informed when construction activities may impact your community. We appreciate your patience during construction of the SR-91 improvements.
- ✓ California law requires vehicles to safely reduce speed, move over and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.
