Construction Helpline: (800) 724-0353

We are committed to keeping you informed when construction activities may impact your community. We appreciate your patience during construction of the SR-57 improvements.

California law requires vehicles to safely reduce speed, move over and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

OCTA and Caltrans remind motorists to use extra caution and reduce speeds when driving through construction zones.
