PROJECT BENEFITS

- One new six-mile lane in the westbound and eastbound directions between SR-241 and SR-55
- Standardized 12-foot lanes and 10-foot right shoulders
- Widened undercrossing at Weir Canyon Road/Yorba Linda Blvd. and Imperial Highway in the westbound and eastbound directions
- New restriping throughout project limits
- Soundwall on eastbound side of the freeway along key residential area

SAFETY ON YOUR SIDE!

- ✓ Caltrans reminds motorists to please Slow for the Cone Zone and use caution when driving through construction zones.
- ✓ We are committed to keeping you informed when construction activities may impact your community. We appreciate your patience during construction of the SR-91 improvements.
- ✓ California law requires vehicles to safely reduce speed, move over and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.
